The **Outreach Task Force** oversees planning of reentry simulations, community presentations, trainings, volunteer recruiting, and information sharing. The **Community Engagement Task Force** examines the obstacles returning individuals face, and through an asset-based approach, combat the challenges. The **Case Review Task Force** reviews reentry cases to identify how to best assist individuals in transition from incarceration back into the community. The **Steering Committee** is the steering and oversight committee for Franklin Together with the primary responsibility of strategic planning. The **Sustainability Task Force** focuses on maintaining diverse funding sources, evaluation of programming and financial strategic planning.
